Step 1

Cut a 36" [92 cm] length of beading thread. Leaving a 7" [18 cm] tail, go through the hole of a Candy Rose bead (A) and pick up [1(C) 1(B)] four times plus 1(C). Go back through the same hole of bead A heading in the opposite direction as the tail thread.

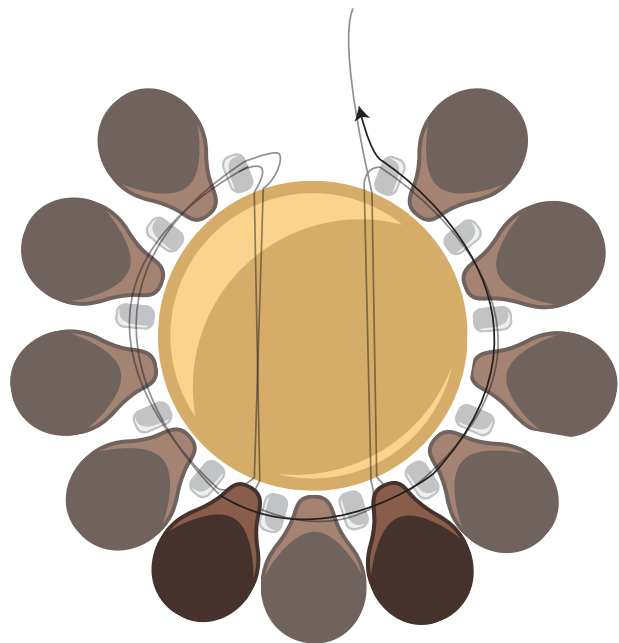

Step 2

Pick up 1(C), 1(B), and 1(C). Turn and go through the adjacent hole in bead (A). Pick up [1(C) 1(B)] four times plus 1(C). Go back through the hole at the bottom of of bead A.

Step 3

Go back through all nine beads on the side. Pick up 1(B) and go through the next three beads. Pick up 1(B) and go through the next nine beads.

Step 4

Pick up 2(C), 1(D), 1(E), 1(D), 4(C), 1(D), 1(E), 1(D), and 2(C).

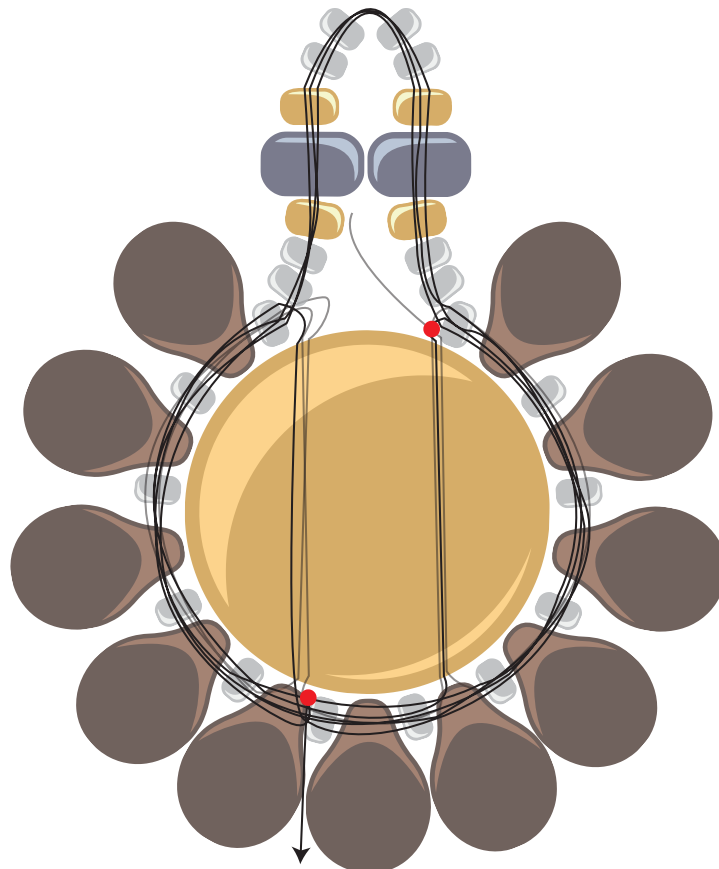

Go through the next 13 beads then go through the right side hole of bead (A). Go through the nine beads on the side.

Step 5

Continue through all twenty-three beads remaining around bead (A). Continue through the fourteen top loop beads and continue through the next nine beads. Go through the left hole of bead (A), go through the next ten beads. If desired, tie a half-hitch knot at the location shown as a red dot and trim thread.

Thread a needle onto the tail thread. Weave it once around the side, nine beads and back through the bead (A) hole on the right. Tie a half-hitch knot around the thread shown by the red dot and trim.

Step 1

Cut a 36" [92 cm] strand of beading thread. Leaving a 7" [18cm] tail, go through one hole of bead (A). Pick up 1(C), 1(B), and 1(C). Go through the hole above and pick up 1(C), 1(B), and 1(C). Go through the bead (A) hole below. Reinforce this connection one time.

Step 2

Pick up [1(C), 1(B)] twice plus 1(C). Go through the hole on the other side of bead (A). Go up through the C, B, C beads above.

Step 3

Go through the top hole of bead (A). Go through the next three beads (C, B, C) and pick up 1(B). Go through the next four beads (C, B, C, B, C). Pick up 1(B). Go through the next three beads (C, B, C).

Step 4

Pick up 6(C), 1(D), 1(E), 1(D), 4(C), go through the D, E, and D beads, pick up 6(C), then go through all thirteen beads around (A). Go through all the beads again to reinforce and tie a half-hitch knot over the threads at a point exiting a hole in bead (A). Trim.
