Build decreasing brick stitch rows following the pattern.

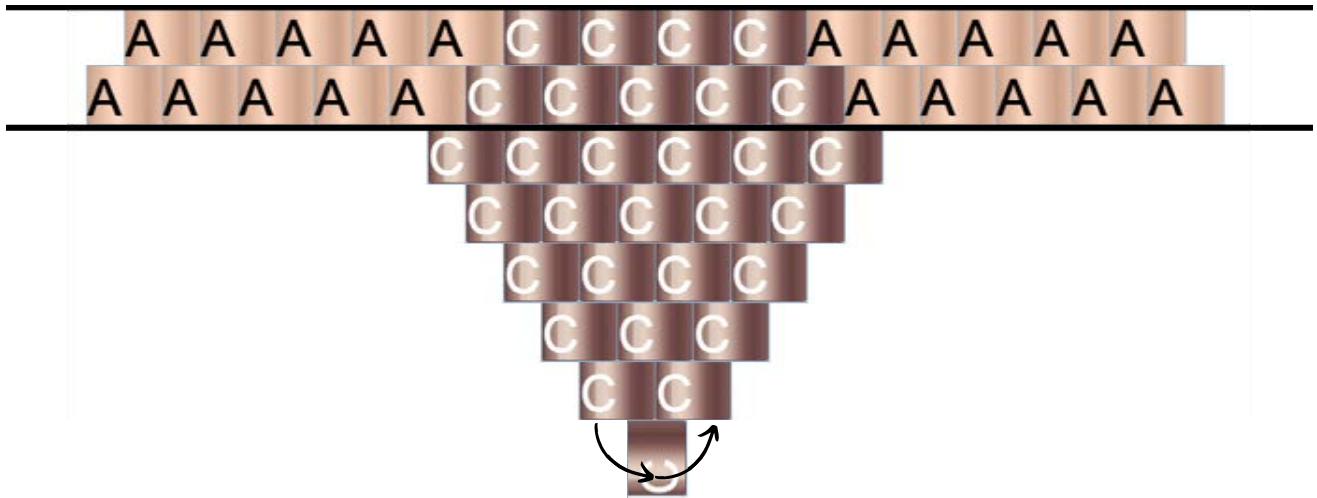

Build increasing, split rows.

Stitch oval jump rings under the top, right and left thread bridges. Weave in remaining working thread.

Use the tail thread to build the bottom petal decreasing rows. add the last bead sideways by looping through the bottom two beads. Reinforce, weave in thread, and trim.

Connect the links of chain to the ear wire using a round jump ring at the top. Carefully connect a jump ring through the bottom bead to connect the obelisk charm.
